## D. Late Fees

1. Spot Retention with Conditions
  - Students with overdue tuition will have their enrollment spot **held for up to 30 days** after the due date, provided parents communicate proactively with the Admissions Office to arrange payment.
  - If no communication occurs within 30 days of the due date, the principal, or designate, may accept another student for the unpaid school place and put the late paying student on the waiting list for an available seat.
2. Late fee of **\$1,000 MOP** is applied for payments made after the tuition due date.
3. Overdue Fees
  - **1–10 days overdue:**
    - Parents will receive a reminder to settle fees or contact Admissions for assistance.
  - **11–30 days overdue:**
    - Students may attend classes but will be barred from extracurricular activities, or receiving academic records until fees are paid.
    - Continued failure to pay risks loss of enrollment priority for the next term.
  - **>30 days overdue:**
    - Enrollment is suspended, and the spot may be offered to waitlisted students.
    - Re-enrollment requires full payment of overdue fees and a 5% reinstatement fee.
4. Enhanced Communication & Flexibility
  - Families facing financial hardship must notify the Admissions Office before the due date to request a payment plan. Temporary relief may be granted for extenuating circumstances. Hardship Fund has been set up for families with financial difficulties. For families in need, they can apply through Head of School office.
  - Government subventions or sibling discounts will still apply but do not exempt families from payment timelines.

## E. Withdrawal Deadline

1. Parents have the option to inform the school before August 15th whether their child will continue enrollment for the upcoming academic year. If a withdrawal occurs prior to August 15th, they may be eligible for a tuition refund; however, an administrative charge of 10% on the one term's tuition will be applied.
2. The School will adhere to a non-refundable tuition policy for students withdrawing after August 15th. Exceptions to this policy may be considered on a case-by-case basis, taking into account exceptional circumstances.
